Robert Schow Rezone from A-1 to R-R

APPLICANT:

Robert Schow

ADDRESS:

3300 North 750 West

ZONE:

A-1, Agriculture
and
R-R, Rural Residential

GENERAL PLAN:

Very Low Residential

ATTACHMENTS:

- Zoning map
- Aerial map
- Proposed final plat

REPORT BY:

Ken Young, Community
Development Director

Degen Lewis, City
Engineer

Marcus Wager, Planning

BACKGROUND

The applicant is requesting a zone change to allow him to split his property into two lots, both meeting the requirements of the R-R zone. The subject property, located at 3300 North 750 West, currently has two zones: the A-1 Agriculture and the R-R, Rural Residential zones. Those portions of the property that fall within lot 1 on the attached proposed final plat, that are zoned A-1, are requested to be rezoned to R-R.

ANALYSIS

The R-R zone is allowed in this area according to the General Plan, and is the current zone on adjacent properties to the south and east; the R-R zone is also on part of this piece of land that the applicant wishes to rezone. Since the request meets both General Plan and zoning criteria, there are no concerns with this proposal.

RECOMMENDATION

The Planning Commission reviewed this request in a public hearing on September 12, 2013, and recommend that the City Council **APPROVE** the request to rezone portions of 2.229 acres of property located at 3300 North 750 West from A-1 to R-R, including the following conditions:

1. All Final Planning, Engineering, and Fire Department requirements are met.

MODEL MOTIONS

Approval – “I move the Commission approve the request of Robert Schow to rezone portions of property located at 3300 North 750 West from A-1 to R-R, and adopting the exhibits, conditions and findings of the staff report, and as modified by the conditions below:

1. List any additional conditions....

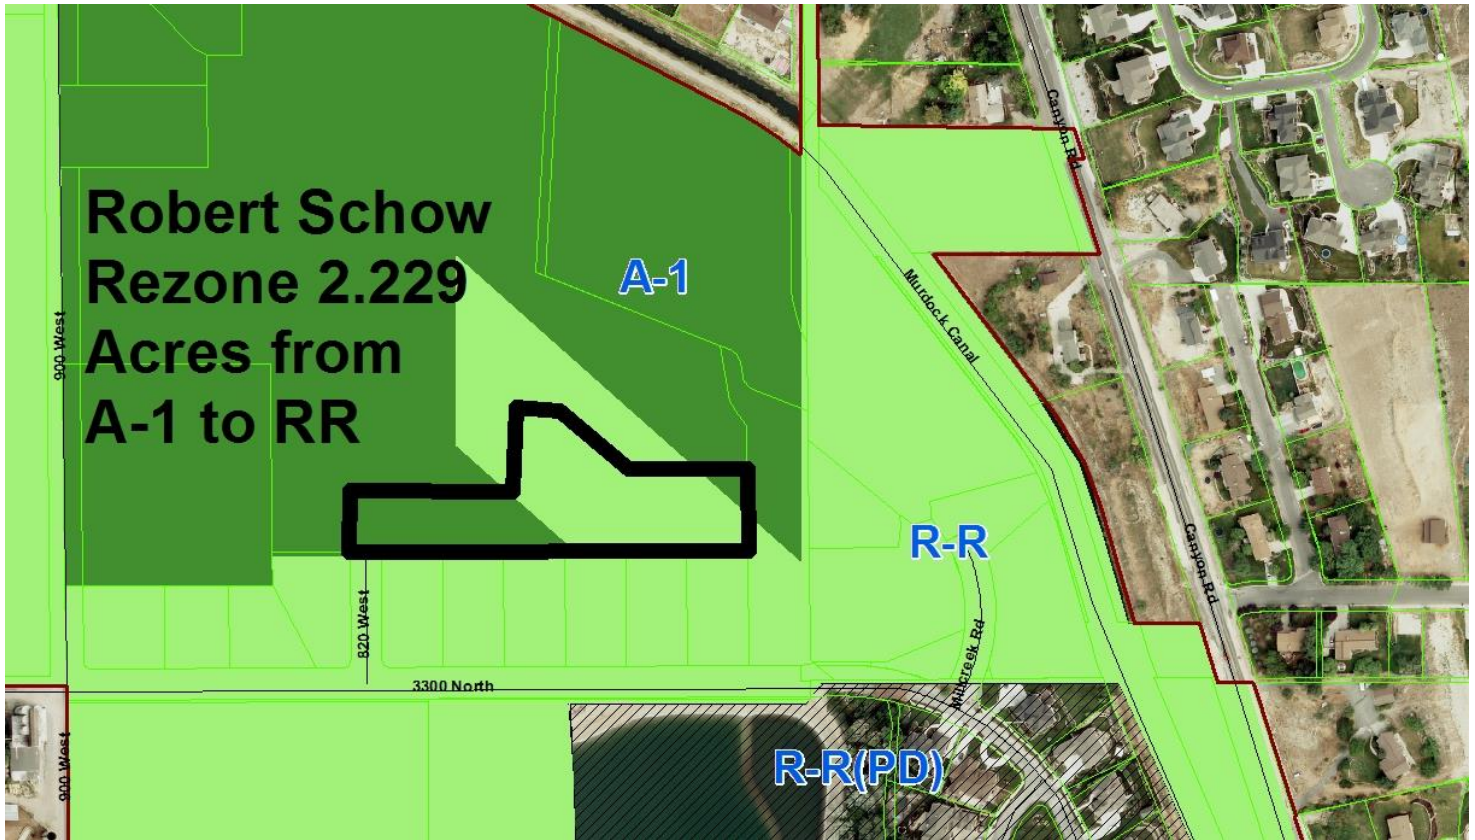

Continue – “I move the Commission continue the request of Robert Schow to rezone property until (give date), based on the following findings:”

1. List reasons for tabling the item, and what is to be accomplished prior to the next meeting date...

Denial – “I move the Commission deny the request of Robert Schow to rezone property based on the following findings:”

1. List findings for denial...

BACKGROUND

The applicant is requesting approval for an final plat called Parkside at Pleasant Grove Plat B located at approximately 3300 North 750 West in the R-R (Rural Residential) zone, with a General Plan designation of Very Low Density Residential.

ANALYSIS

RESOLUTION NO. 2013-039

A RESOLUTION OF THE CITY COUNCIL OF PLEASANT GROVE CITY, STATE OF UTAH, EXPRESSING NON SUPPORT FOR THE PROPOSED REALIGNMENT OF 100 EAST AND GENEVA ROAD AT THE PREFERRED ALTERNATIVE AS PRESENTED AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Pleasant Grove City is responsible for the long range planning of transportation corridors within its municipal boundaries; and

WHEREAS, for some time the City has been considering a realignment of 100 East to service the expected traffic growth; and

WHEREAS, City obtained some grant funding to commission a study of the projected traffic growth on 100 East, particularly at the junction of 100 East and State Street; and

WHEREAS, a consensus was reached that the City should study connecting 100 East to Geneva Road in some fashion; and

WHEREAS, several alternative routes have been discussed; and

WHEREAS, in January 2013 the Municipal Council received a report on the commissioned study regarding a proposed connection between 100 East in Pleasant Grove (a State Road) and Geneva Road (also a State Road); and

WHEREAS, the Study proposed a preferred alternative for said realignment and connection; and

WHEREAS, the purpose of the project is to improve mobility and system linkage for north/south arterial travel, reduce traffic congestion on local roads, and to provide a higher service level for the intersections with State Street that lie within the project area; and

WHEREAS, at the January 2013 meeting the Council requested additional study and information; and

WHEREAS, the Council has received additional information regarding the necessity of the timing of the project; and

WHEREAS, said information shows that the need for the project is not immediate, in fact the traffic congestion and intersection loads are sufficient until sometime between 2023 and 2040; and

WHEREAS, the preferred alternative would have a negative impact on several established businesses along the State Street Corridor, reducing customer access and requiring relocation in some instances; and

WHEREAS, the preferred alternative would direct traffic away from Main Street and the Downtown area; and

WHEREAS, the City Council has a stated goal of encouraging businesses and revitalizing the Downtown area;

WHEREAS, the Pleasant Grove City Council finds that it is not in the best interest of the health, safety, and welfare of its citizens to plan for a realignment of these roadways at the preferred alternative location.

NOW, THEREFORE, BE IT RESOLVED by the Pleasant Grove City Council, Pleasant Grove, Utah as follows:

SECTION 1.

The Governing Body of Pleasant Grove City hereby **EXPRESSES THEIR NONSUPPORT** for the Preferred Alternative of the proposed 100 East/Geneva Road realignment and connection.

SECTION 2.

The provisions of this Resolution shall take effect immediately.
